ORDER:

In the letter read above, the Chief Engineer (R&B) CRN & MD, APRDC, Hyd., has stated that the Adoni bypass road is an important link road to town in Kurnool District with a total length of 10.896 Kms. It connects three State Highways and the entire traffic on these roads, passes through the heart of the Adoni town. Most of the traffic from Karnataka state passes through Guntakal-Thungabhadra road to Mantralayam, famous pilgrim centre of Sri. Lord Raghavendra Swamy temple. The Agricultural products from Adoni, Alur, Kowthalam, Holagunda and Aspari Mandal Villages are transported through Guntakal-Thungabhadra road and Gooty-Pathikonda-Adoni road to Adoni Market Yard.

2. He has also stated that the above bypass road, the stretches from Km 0/0 to 2/1 & Km 5/740-10/896 were completed in full shape. The entire stretch of bypass could not take up due to non-availability of sufficient funds and hence the balance stretch from Km 2/1 to 5/740 could not be tackled. It is very much essential to form bypass for the balance stretch from Km 2/1 to 5/740 (over existing Railway line of Guntakal Wadi section at chainage 492/8-6) to avoid congestion of vehicular traffic within town. ROB proper & approaches of entire cost has to borne by the State Govt.

3. The Chief Engineer (R&B)CRN&MD,APRDC,Hyd., has further stated that the estimated cost of the Road work including ROB proper is Rs.18.50 Crores. Further Land Acquisition is necessary under stage-I construction.
